

ATHLETICS: *Bingley Harrier turns tables on clubmate*

Superb 'Bunny Run' win for Wilkinson

Victoria Wilkinson, pictured left, of Bingley Harriers pulled off a superb victory at the Harden Moor Easter 'Bunny Run.'

The 18-year-old college student from Hebden, near Skipton, turned the tables on clubmate Carol Greenwood, who had the upper hand three days earlier at the Broughton Hall race.

Wilkinson — the 1996 junior English and British champion on the fells — will look forward to racing over Pendle Hill in Lancashire on Saturday before heading off to Sheffield College to continue her childcare course.

Haworth-based Bingley Harriers Ian Holmes and Andy Peace were a class apart in the men's event. Holmes, who intends to run — and win — each of the consecutive Tuesday night fun races from the Guide Inn near Cullingworth, led the 200-plus field from the start.

Peace, who will defend his Three Peaks race title in three weeks' time, may have found the three-mile route a little on the short side.

Steve Oldfield (Bradford Airedale) took the

veterans' over-40 prize, while Kath Drake (Spenborough), who finished third, took the women's veterans' award.

Bingley international Keith Anderson will travel to Blackpool at the weekend for the Nova International 5km race. He will be joined by Bingley team-mate Mick Hawkins, together with Bradford-Airedale's Richard Findlow.

On Saturday, the North of England 12-Stage Road Relay Championships will take place at South Leeds Stadium (11.30am).

Bingley Harriers will be looking to retain the title they won at Haigh Hall in Wigan, but will face strong opposition from 68 other teams, including Leeds City, Pudsey and Bramley, Hallamshire and Rotherham.

Todmorden Harriers celebrate their 20th anniversary on Sunday with a "Trailblazer" five mile multi-terrain race from Sourhall Country Club, Todmorden (11am).

The race is open to all over 16 years, and entries (£3.50) will be accepted on the day, all profits going to cancer research.
