

11th BRISCOE'S BREWERY AULD LANG SYNE
FRIDAY 31ST DECEMBER 2004 6.5M/900FT - ROUTE CHANGE

Congratulations to International man of mystery 26 year old, Andi Jones of Salford on breaking Ian Holmes' strangle hold on this race, after his decade of dominance, is the crown slipping for the 39 year old ? Andi last ran here in 2001 when finishing 5th, and over 3 minutes behind Ian. Already having run for England 10 times, 19 year old Katie Ingram impressively won the ladies title, denying 'Queen of Haworth moor', Sharon Taylor a hat trick of wins. What a field....434....our second highest ever, you obviously enjoy the banter, the beer and especially the mud, mind makes a change from the ice !
