

12th BRISCOES AULD LANG SYNE FELL RACE
31st DECEMBER 2005 6.5 MILE/1000FT

Due to the popularity of this race a new route was introduced for this the 12th running, considering the gale force winds and driving rain we were shocked that 442 hardy runners turned out of their warm comfy beds. It was back to normal as 10 times winner Ian Holmes beat

English champion Simon Bailey, and a host of other internationals, including the man to beat him here last year, Andi Jones. Holmes took command after Stanbury Moor summit and showed unbeatable speed on the return journey over the muddy paths and fields. This was Ian's 2nd outing as a veteran, having won the V40 at the Stoop race, but here he went one better to win outright. 2006 could be Ian's year, as he attempts the impossible to win the senior English title, as a veteran.

Chevin Chase winner, Alistair Brownlee won the U18's with 6th overall, and looked like he'd been bathing in the Haworth mud, and with Andy Peace 9th Bingley won the mens team.

22 year old Natalie White, now running for Bingley won the ladies, to add to her Hot Toddy victory on Boxing Day, from Amy Green and Jo Smith. 10 years to the day, Sarah Rowell won the ladies outright, but here she had to settle for 6th, but first FV40.

Obviously due to this new course, all category winners times will now be new records, since this course is to become the norm.

Crosstrax, a new company, donated 6 pairs of fell shoes to a free prize draw, and Caroline Harding - P&B, Steve Bamber - Preston, Suzanne Budgett - Horwich, Owain Matthews - Bedford, Kelly Harrison - Ilkley & Marcus Lancaster - Lincoln, all went home surprised but happy winners. If you need shoes visit crosstrax.co.uk, for a price not to be beaten!
