

BUNNY RUN ONE - FOR CHOCOHOLICS ONLY

TUESDAY 5TH APRIL 2005 3MILE/300FT

Remember last year we said 'Blue is the new you', how right we were. This mighty atom has started her BR campaign by not only winning her age group under 14, but 'blue' away all the under 16 girls and more impressively left all the senior ladies in her wake as she recorded a new FU14 & FU16 record of 21-44 to boot. Of course having won last year's series, Blue cannot wait to see herself immortalised on the overall prize beer bottle label.

She has already won the first junior English championship race in her campaign to retain her English fells title, and who would bet against her ?

'Southern softie', John Heneghan, finally got his hands on the perpetual bunny rabbit cuddly trophy, which is only available at BR 1, to first man, lady & V40. John also easily won the egg stage prize in 3-21, a slow time considering the tale wind. A few more wins like this John and the 'softie' will become 'hardy' !

Holmfirth's Andy Shaw won his 9th BR, and has now the honour of looking after the cuddly trophy for the 4th year in a row, 'remember lots of carrots, bedtime stories and a cuddle everyday'. This race attracted the 2nd biggest field ever, 267, this included 84 U14 & U16 runners & 80 ladies, the record is 272 from BR3 2002, although we did have Major Johnson bring a 60 strong group of army cadets along in a team building exercise.
