

BUNNY RUN FOUR - THE WET ONE !
TUESDAY 26TH APRIL 2005 3MILE/300FT

On a very wet night last year's overall series winner Mark Buckingham duly collected his personalised crate of Briscoe's beer, named ' Sharky's best bitter ', the beer with extra bite ! at the prize giving, but before this had demonstrated his fleetness of foot to take 3 seconds off his own Egg Stage course record. This now stands at an awe inspiring 3-13, seemingly putting it beyond anybodies reach. BR1 winner, John Heneghan, duly caught the lactic acid leg filled Mark to go on to win, and take the overall series award, plus he gets the beer named after him next year. Andy Shaw won the V40's yet again notching it up to 12 wins.

Blue Haywood, like Mark collected her beer crate, named ' Blue's little tippie ' - small but very strong ! Blue won the ladies BR4 race outright, and with that beat Sharon Taylor to overall series victory, which will again see her picture immortalised on even more beer, named after this incredibly versatile athlete. This year has seen over 1000 athletes competing in these low key, yet seasonal races, which obviously chocoholic runners love.
