

14TH WITHINS SKYLINE RACE

23RD OCTOBER 2005 7M/1000FT

25 year old joint 2005 English champion, Simon Bailey won his first ever Woodentop event, after sitting behind Mark Horrocks & Karl Gray until the famous Bronte Bridge & short steep climb up Bronte Waterfalls, he then kicked for Penistone Hill, knowing the rest of the race route was flagged. The route here was changed last minute, and was probably a minute faster than the previous route back from the top of the falls.

Lisa Lacon, a Haworth regular took the heavy conditions in her stride to beat in form Karen Davison and 2002 winner Vanessa Peacock from the 274 runners who ran. An incredible 90 juniors contested the quarry runs, in very wet conditions, with Emily Throup of Wharfedale even setting a new GU12 record, well done!
