

15TH BUNNY RUN – THE RETURN
TUESDAY 22ND AUGUST 2006 2.5M/300FT NEW ROUTE

The 15th Bunny Run found a new home on Penistone Hill using Dimples lane quarry as the start and finish area near Haworth, after previously being run on Harden Moor, the move was because the organisers were not willing to pay the Guide pub £500 to take the races there. The Sun pub as always did us proud, free soup and roll, use of the big screen for the video of the race and free use of the pub. The new route and venue was a prelude to next years race series being held there, 144 runners including an amazing 50 ladies tested the slightly short route, with a dozen England internationals taking part.

Holmfirth Steeplechaser and superstar, Mark Buckingham, took his 4th Bunny win, beating British triathlon and duathlon champion Alistair Brownlee by 3 seconds, with English champion Simon Bailey 3rd. Sharky also won the Egg Stage for the 13th time in 3-24, with Alistair hot on his heels all the way.

25 year old Mary 'scary' Wilkinson, a winner at Mount Snowdon and 4th in the Worlds last year won the ladies in 14-51 finishing 12th overall, but 15 year old Blue Haywood beat her to the Egg Stage in 4-01, both being given the same time.

All finishers received a Cadburys crème Egg bar and chocolate as always featured heavily in the prizes, the Up & Running shoe prize draw was won by Rossendales John McIntosh, the Toffee Crisp guess the winners time cake went to Danny Ward.

Then the fun competitions began to the enjoyment of the on lookers, see you all next year!
