ATHLETICS: Bingley Harrier makes it five wins in a row

Holmes hammers Stoop rivals to complete big race nap hand

by JIM DALTON

Athletics Correspondent

Bingley international Ian Holmes was in record-breaking form yesterday when he continued his domination of the Stoop fell race, near Haworth.

Holmes, who has competed for England at World Cup level, stretched his winning sequence in the event to five successive years as he hammered his main rivals from across the Pennines by almost three minutes.

He also set a new record for the event as he trimmed his own 1992 figures from 28min 50sec for the five miles to 26:36.

The Bolton United duo of Dennis Flatley and Mick Hill had no reply to Holmes' powerful performance.

Bingley Harriers also had Ian Ferguson in fifth, and John

Brook, 12th, in the field of 182 to secure first team place ahead of Bolton, who closed in with 21 points.

Holmes was not the only record-breaker on the day for Leeds City's Lucy Wright, who competed in this year's World Cup races in Edinburgh in September, was also in fine form.

Her run of 31min 27sec, which gave her 22nd place overall, sliced more than a minute from the previous women's best, set by Bingley's former world champion Carol Greenwood, also in 1992, when the frozen surface contributed to fast times.

Keighley's Jonnie Butler smashed the race's veterans' record with his run of 28min 56sec.
