## THE FELLRUNNER MAGAZINE

Three times a year we produce a magazine which is packed full of race reports, results, feature articles and photographs. 'The Fell Runner' is post to you and not only is it the official organ of the Association - it's also your magazine. The Editor will print any letter which isn't actually libellous (plus one or two which are!) and he's always on the lookout for interesting articles from members.

The magazine keeps you up to date with the Championships and what the Committee's up to, gives details of the Courses and trips being organised and you'll find the latest ultra distance and international news.

## THE FIXTURES CALENDAR

Each year a Fixtures Calendar is prepared and sent to each member. Well over 300 races are publicised in this booklet - with entry and course details. It contains information about Fell Races taking place in England, Wales, Scotland, Northern Ireland and the Isle of Man. Events take place throughout the year but chiefly in the summer months.

The Calendar tells you all about the various Championships and it contains the FRA Constitutional Rules, The Rules of Fellrunning, and the FRA Safety Requirements.
