THE FELLRUNNER MAGAZINE

Three times a year we produce a magazine which is packed full of race reports, results, feature articles and photographs. 'The Fell Runner' is post to you and not only is it the official organ of the Association - it's also your magazine. The Editor we print any letter which isn't actually libellous (plus one or two which are!) and he's always on the lookout for interesting articles from members.

The magazine keeps you up to date with the Championships and what the Committee's up to, gives details of the Courses and trips being organised and you'll find the latest ultra distance and international news.

THE FIXTURES CALENDAR

Each year a Fixtures Calendar is prepared and sent to each member. Well over 300 races are publicised in this booklet - with entry and course details. It contains information about Fell Races taking place in England, Wales, Scotland, Northern Ireland and the Isle of Man. Events take place throughout the year but chiefly in the summer months.

The Calendar tells you all about the various Championships and it contains the FRA Constitutional Rules, The Rules of Fellrunning, and the FRA Safety Requirements.

STOOP RACE REPORT THE 8TH WONDER

There are supposedly Seven Wonders of the World, but British and English champion, Ian Holmes, could well be the eighth wonder after sweeping to victory in the 9th Stoop fell race. His domination of the event is likely to be unsurpassed, and the only blot on the annual trophy is the name of Allan Whalley, who skilfully beat Holmes in the inaugural race in 1990.

The 33-year-old actually recorded the third fastest time ever, and within half a mile of the start had left the 208 strong field to fight out the minor positions. "The conditions were good, with the ground mostly frozen, but by my return it was broken up by the ascending runners, which caused a few headlong falls." Holmes commented before dashing off to the Bingley harrier's annual bash in Harrogate. Hence his booty of prizes, selection box, biscuits, Christmas cake, jar of Celebrations and more importantly a case of Stella Artois were kept safe for his collection just before the festive season... not a bad Christmas haul.

In second and third were new dads, Mark Horrocks welcomed Sam on 21st November, whilst Andrew Wrench became the proud dad of a baby girl Lizzie on 1st December. The myth of the woman improving athletic wise with the birth of a child seems to have reversed roles with these two, a few more turns at nursing through the night may put paid to their current form.

Meanwhile mother of 3 (it can't be a myth), Ilkley's Tracey Ambler recorded a sensational win in the ladies race. The Stoop was actually Tracey's first ever race in 1996, so to come back and win the event only two years later is an achievement of note. She certainly didn't amble around the course, because she also eclipsed the previous record of 35-21 for an over 35 runner, despite being covered from head to studs in mud, due to some spectacular falls. Tracey was overjoyed by her Christmas prize haul, (the same as Holmsey); the Ambler clan was even more ecstatic when son, 4 year old Bradley won a raffle prize of a 2kg bar of chocolate. To add to the occasion Tracey led Ilkley harriers to team victory with Emma Barclay, 5th and Joanne Kerr in 10th to beat Barnsley Harriers.

In second place was Lisa Lacon... again... keep chipping away at it Lisa you're bound to get there eventually!

The over 50's saw Ken Taylor 25th overall and also improving the 3 year old record of Don Ashtons which was 33-05 in the process of recording 32-17. Muriel Leeming improved the over 50's by 2 minutes, in only her second ever fell race, and winning her first ever prize of a luxury tin of biscuits.

Mark Smith and Christine Boardman both from Horwich RMI won the under 16 races, whilst Martin Hounslow and Naomi Biddle won the under 14's. The under 12's race winners came in the form of Robert Anderson and Katherine Doherty, but race of the day was by Penny Addison in the under 9's who showed what girl power was all about by beating all the boys aswell to finish 17th out of 28.

The after race raffle was in aid of the Airedale Cancer Support group and raised £56, thanks to all who supported the cause.

APOLOGIES, there was no Cadburys chocolate puds, but we hope the Rowntrees Rudolph chocolate jelly noses were a scrumptious substitute.
