

**31<sup>st</sup> DECEMBER 2017 THE 24TH DALESIDE AULD LANG SYNE 6MILE/900FT**

What an honour it was to have double Olympic Triathlon Champion Alistair Brownlee back to win the ALS for the fifth time in our final swan song as race organisers. It just seems a few years ago in 1984 that we first organised the Stanbury Splash fell race, the winner there was Scottish International Jack Maitland who went on to coach and become a main part of Alistair and Jonny's triathlon success, what a small world. Having seen Alistair grow from an under 12 junior, racing round the Woodentops Quarry Runs, to where he is now is rewarding, inspirational and amazing. The same can be said for the ALS ladies winner, Nichola Jackson who has developed in to a formidable athlete winning our last three races, the Withins Skyline, a hat trick at the Stoop and now the ALS Queen of Haworth Moor! Looking through the ALS results and any other of our race results for that matter, the runners who have progressed from the junior ranks to the seniors is quite mind blowing and far too many to mention, suffice to say it makes us feel old, but immensely proud. Over 50 prizes were awarded to the many who donned ALS fancy dress and it was very humbling that several fancy dress themes paid homage to us as RO's. Even the weather was kind to us and the gale force winds which was forecast were tamed to a gentle breeze and believe it or not the sun shone on Penistone Hill, which is a very rare thing up there, one could say a miracle, just ask any of the Woodentops regulars. Looking back being Junior FRA Co Ordinators, organising Junior weekend Training camps for all abilities not just the elite, England Junior Team Managers and Selectors, organising Junior and Senior FRA presentation 'Do's'. Add in being Yorkshire Junior and Senior Championship Co Ordinators where we introduced the Junior Yorkshire Fell Championships. Yorkshire Junior and Senior Team Managers and Selectors for the Inter Counties, keeping the Senior Yorkshire championships progressing, and helping/advising numerous RO's develop their races, it's all been a blast and for the latter of these duties it still is! Thanks to all the many good wishes, cards and presents which were bestowed on us for our 'retirement' from race organising, but we will still be around cheering you on, making sure you don't walk on those climbs and capturing your best bits with our cameras. Finally what better way to draw the curtains on organising, than to have Alistair join us in the traditional Woodentops chocolate throw out, a fitting end.
