

24th April 2007 Bunny Run Four – The scary one 3mile/300ft

Celebrity starter Keighley and Craven's very own World Downhill Mountain Bike Champion, Karen Ballantine, wearing the world champs rainbow cycle jersey, and also dressed as a playboy bunny girl was given a head start before 197 eager runners chased after her bobbing white bobtail. Bingley Harrier Mary Wilkinson executed a winning performance by not only slicing 6 seconds off her own record of 16.26, but more importantly she broke the elusive 4 minute barrier for the Egg Stage with 3.59. That's why she has earned her nickname '**SCARY**'. The 26 year old finished 21st overall and looks to be recapturing the form that took her to 4th in the World Trophy. Jo Buckley in second took the overall title, and will feature on the beer bottle label next year along with mens winner Ian Holmes. PLEASE be reminded that all the times on the night are provisional and can vary once we have had time to sit down and scrutinise the results in the cold light of day – when it's less hectic. In the mens race after an absence of 11 years Greg Hull of Leeds City returned chasing the need for some chocolate. The 41 year old first won in BR2 in 1993, before winning again in 1996, so with this win he has finally achieved his hat trick of BR wins! Even though his campaign has been over a span of 14 years. Second was Matthew Pierson, who again took the Egg Stage in a slow 3.30, and his elusive win in the Bunny's will have to wait another year, although rumour has it he's running the relay in the solo category – as Matthew No Mates. The Old Sun Hotel prize giving was awash with chocolate with BR4 prizes, overall prizes and of course the customary rain of chocolate from the heavens. An error on the night was Holmfirth were given the mens team prizes – can we please have the chocolate back since Bingley took the award beating you on count back. Winner of the **Crosstrax** prize shoe draw was Anthony Blythe of Idle AC who finished in 116th with a time of 22.04. Sorry David Brett didn't attend but why not look at www.photos-dsb.co.uk
