

You could be excused for thinking that the **Soreen** race has more repeats than ITV and the BBC put together, but when you have an athlete with the pedigree of Ian Holmes, that is just what happens, and in this case for the last 14 years he has repeatedly won, giving no one else a look in. The now 43 year old left the other 305 contenders in his wake on a day of what could be termed as spring like conditions up on Penistone Hill. Ian who works for Kimbledale Ltd. who install Europa whirlpools says 'I love malt loaf, it's a regular part of my diet, especially when racing and training hard. I even had 2 slices this morning before the race'. So could this be the secret why Ian has dominated not only this race, but is the stuff of legends having won 5 English and 4 British senior fell titles? For good measure Ian hasn't got slower as he's got older, testament to that is his 3 English and 2 British V40 titles. He is the reigning Yorkshire senior champion, and has won that 7 times now. Don't be thinking that eating **Soreen** is the key, Ian puts in hours and hours of training to achieve what he has, running is like a bank account, if you don't put anything in it, you can't take anything out! It was as a 10 year old that Ian did his first fell race at Malham Show finishing third, but it was 8 years later before he tried the sport again at Blisco Dash, where he finished 76th, and his first ever win was at Scafell Pike in 1989, the main driving force behind Ian then was the great rivalry with Ian Ferguson. Graham Pearce once again followed Ian home, a repeat of last year, although Graham did run faster, while Darren Kay from Horwich finished 3rd. V50 Brian Goodison with 18th overall completed a hat trick of wins in that category, while Tony Hesketh, a previous V40 winner in 1996 and a 4 times V50 winner, won the V60. In the V70's, record holder Lawrence Sullivan, now 74, returned to win again. A new name will now appear on the prestigious locals trophy, Dick Ballantine a local school teacher and raceaholic.

The best thing to come out of Switzerland since clocks and chocolate, Sabine Hauswirth, continued with her winning runs in England, winning the ladies race in a hard fought battle with British Open Champion Lisa Lacon, who this year hasn't been beaten with victories at Giants Tooth, Ovenden and White Holme Circular – incidentally ten years ago Lisa did win this race. The 21 year old international orienteer, who won the Stoop race on Haworth Moor just had the strength in the final stages to catch Lisa and win by 14 seconds, and consequently enjoy again the 'crackerjack' style prize presentation, much to the amusement of the packed pub. These repeats just keep coming, because Ilkley Harriers repeated their last years team win, same club, different runners, Sabine was backed up by Sally Morley, 3rd, and Val Kerr, 20th. The Ilkley fellas not wanting to be left out won the mens team with Tom Adams, 6th, Lee Morley, 9th and Steve Turland 19th.

The junior **Soreen** races saw 21 more competitors than last year, making it 141 toe the line this time, and tackle the very muddy bottom of Penistone quarry, muddy because some clowns in 4x4's had been using it as a race track, which is not only damaging to the ground, but very illegal! 42 U8's tore through the mud and up the quarry wall to impending disaster, the marshall got all of a dither and directed them straight to the finish, to the shock and horror of the spectators and more importantly the finish team. However Linda Hargreaves and Shirley Wood some how managed to record numbers and positions of this much shorter race, enabling all results to be compiled, minus times as the timer wasn't expecting them to finish and was helping the back markers negotiate the climb out of the quarry. The race winners were Logan Hargreaves-Madhas and Bethan Morley both of Ilkley Harriers, and who's to say they wouldn't have won anyway? you have to be in it to win it, and they certainly were! Of course the U8's weren't that bothered, they all had their **Soreen** goody bags and pop, and were already tucking in to their goodies! All's well that ends well. A mammoth record 99 U10,U12,U14 & U16 runners also enjoyed the muddy conditions, with last years runner up Josh Ferguson winning this time and with British Open GU14 champion Pippa Barrett winning the GU14's, finishing 3rd overall, it was double success for the Keighley & Craven club. Pippa did have the honour of starting the senior race. Lewis Byram won the U12 with 2nd overall, Charlie Lowrie the U10 with 5th overall. Mercia's Emma Clarke won the GU12 and Lily McGuinness the GU10 both repeat performances of last year. Sean Carey the Stoop and Withins U16 winner made it a hat trick, in the GU16, GU12 record holder Rosie Hellawell, last years GU14 winner became the victor. Let's hope some of these juniors tuck in to their malt loaves, like 14 times senior winner Ian Holmes does, then the future of fell running will be awesome. A very big thank you must go to **Soreen** for their support , which is very much appreciated by all the runners who have competed in this race for the last 26 years, long may it continue.
