

Ian Holmes seems to have a great fondness for this race and must really love his **Soreen** Malt Loaf because the 44 year old has now won the event consecutively since 1996, mind you way back then Ian does admit he did have more hair, but his running has certainly not receded just ask Graham Pearce and the other 298 runners who chased him round the Splash course. 29 year old Graham Pearce did give Ian a tremendous tussle and hung on to his shirt tails until the scenic Ponden Valley circuit, here Graham's mistake was to take up the running in to the head wind, which of course tactically astute and **Soreen** King, Ian, was happy to oblige Graham. This gave Ian some respite and allowed him to regroup ready to attack again, by Upper Heights Ian was back in control and gaining yardage, to keep that advantage to cross the line with 17 seconds in hand. So Graham runner up last year was yet again foiled in his quest to wrestle the **Soreen** crown from Ian Holmes. 27 year old Tom Adams just couldn't live with the pace of these two early on, and finished over 2 minutes behind Graham, with Tom Brunt and Rick Stuart in tow. In all Woodentops races the first male, female and Veteran 40 collect prizes 'Crackerjack' style, and with V40 Ian Holmes being the outright winner, he requested that the category prize should go to the next V40 home, so a shocked Rick had his hands full. There may have been a battle at the front, but the real war was for the much coveted locals trophy, which is awarded to the first runner home who lives within one and a half mile radius of any part of the course. Electrician, Paul Crabtree would love to get his hands on the trophy but was thwarted yet again, this time by his own making, because his encouragement, training and help for team mate and training partner, Christian Holmes, has made him quite a force to be reckoned with. In to the final mile of the race, these two were neck and neck, with no quarter being given, stride for stride they slugged it out until the final stretch onto Penistone Hill and the finish at the cricket ground. 36 year old Christian just had the edge with one second in hand as both crossed the finish line in a heap. Antique restorer Christian has only been running for just over a year and has made great strides in the sport after playing football as a striker for Bronte Wanderers and Wrose Albion. 'I have to thank Paul for all his help, his training has brought me on tremendously and you could say he has trained me to win, which I don't think I could have done without him, what a sportsman Paul is,' said local champ Christian.

25 year old Helen Glover surprised herself by winning the race for the third time, having won it before in 2007 and 2008, she also won the first local ladies prize for the third time too. Helen thought she wasn't that race fit, but she had far too much pace for Karen Pickles the second lady home, whilst in third was Anne Johnson of Calder Valley. Ilkley ladies won the team prize for the third year running with Graham Pearces wife, Kay, fifth, Alison Eagle, sixth and Kate Archer, eleventh. Lots of runners have personal goals, but for one young lady the **Soreen** race was extra special, Lyn Eden had last year set a target of competing in 65 races to mark her 65th birthday, the **Soreen** event was the culmination of this. At the finish she was greeted by well wishers and fellow Ilkley Harrier team mates with champagne, flowers and banners, and at the prize presentation received more champagne from Ilkley Harriers and a big cake with a picture of her competing in one of her 65 races from the Woodentops, plus an almighty cheer from the runners in the Old Sun Hotel.

The junior '**Chew it then do it**' **Soreen** races remain as popular as ever with 139 competing and have a real family theme to them, it's great to see youngsters of athletes coming in to the sport with a few new faces running for the first time in the U8's, well done Beauanya Lawrence, Alexis and Eve Whitaker etc. hope this is the first of many. The winner of the U8's race running for Huddersfield Grammar School was George Hobbs, with two seconds to spare from Ray Laybourn and 7 year old Richard Done third, Pendle AC supplied the first two girls, with Ruby Schofield only five seconds behind Richard in fourth overall while team mate 7 year old Briony Holt finished eighth overall. We're going to have to order more numbers next year for the U10, U12, U14 and U16 races with 105 competing, the start underneath the crag is a sight to behold, and shows that kids love competing in the outdoors. These courses have everything, fast running, twists and turns, ups and downs, a lake to traverse and most importantly a **Soreen** goody bag full of treats at the finish, just what every kiddie wants! Congratulations to Zac Howe – U16, Lewis Byram – U14, Seth Waterman – U12, Matthew Crocken – U10, Pippa Barrett – GU16, Harmonie Waterman – GU14, Phoebe Howe – GU12 and Gemma Johnson – GU10, the category winners. As well as the first three in each age group getting prizes off the table they also received a new 'Fruity Five' delicious sliced fruit loaf , before the air was full of **Soreen** Go bars, Snack Packs and chocolate thrown out by **Soreen** girl, Sarah Louise Heslop, there ends another successful set of Junior Quarry Runs. A big thank you to **Soreen** for their enthusiastic support of these events.
