

What a day! Days of blue clear skies, warm temperatures and no wind are few and far between on the high hill that is Penistone Hill, so maybe that's why a record 348 seniors crowded into the quarry start. Obviously several runners just couldn't believe their eyes regarding this weather because far too many thermals could be seen. Junior under 14 winners Harmonie Waterman and Max Wharton took centre stage and after rapturous applause shouted the magic words **GO**. This years English V40 champion Lloyd Taggart, who has shown his athletic prowess by also finishing joint silver medallist in the individual championship showed his class by pulling away from Tom Adams after the climb of Bronte Waterfall and the final moorland stretch. 28 year old Tom who works for the environment agency is improving with every race and with wins at Thieveley Pike, Eldwick Gala, Hebden Sports and Ilkley Trails race, he's a new name to watch for. These two would have been a lot faster if they had cut the corner to Top Withins Ruin, but they ran all the way along the bog to the Pennine Way path, and only realised their mistake when out the corner of their eyes they noticed the rest taking a more direct line, although they had enough of a lead then. Ambleside Sports winner Mark Addison finished third before Canadian 800m track runner Michael Del Monte, the recent Bradford Half Marathon winner came in fourth. The 24 year old ran the race in road flats, and over this terrain it's a miracle he did so well and showed his class; it's been reported this is his first and last experience of fell running, there again his ambitions are to run in the Olympics a far cry from Haworth Moor. Old timer but British V50 Champion Steve Oldfield finished thirteenth overall and again won the V50 picture trophy for the fifth time, despite the very wet underfoot conditions V70 Malcolm Coles broke Lawrence Sullivan's five year old record by 31 seconds.

34 year old Jo Buckley improved on third last year in 53-53 to 50-17 this and that time even betters her 52-37 when she won the race back in 2003 when running under her maiden name of Jo Smith. Jo first appeared at a Woodentop event way back in 1998 when she won the Bunny Run 4 race and set a new course record. GP Jo was caught by Burnsall Classic winner and three times Soreen Stanbury Splash winner Helen Glover on the long run to Bronte Bridge, but on the Waterfall climb 26 year old Helen just couldn't drop Jo. 'My little legs don't help me in those bogs on the top. Sometimes it's ankle deep others it's thigh deep, yuk, you just never know, but it's good stamina building stuff. I thought I had a chance when I was catching Jo on the flag stones and rocky bit to Bronte Bridge, but her strength after the Waterfall was just too much', said runner up Helen. In third was 42 year old Pauline Munro who has won the Soreen race twice 2001, 2002, the Auld Lang Syne in 2000 and won all the Bunny races in 2001 and 2002 years, and here broke Anne Johnson's record by 16 seconds.

Wowee! What a junior turn out, 170 Rat finks ran in the Precision Pest Management Curly Wurlly Rat Runs. Before the racing begins a bit of fun with the judging of the fancy dress, which this year saw skeletons, pirates, pumpkins, ghosts, witches, Spiderman, Batman, a whole host of fab outfits on display which were soon to get mud splattered. Winners here were Elliot Brett, Fergus Knappy, Freddie Worswick, Alice Watson, Ben Durrans, Amelie Stewart, William Veevers, Lyra Weston and Emily Gabbitass, well done to you all! George Hobbs now running in the colours of Holmfirth, 13th last year stormed to victory in the under 8's race just ahead of Jack Muir and Ciaren Crabtree, while in the girls Ilkley Harrier Katie Turland won with Keighley's Jenny Ginley and Emma Thompson second and third in the tightest of finishes only 5 seconds separating them all. Under 14 Max Wharton has won just about everything, English, Uphill and Yorkshire championships this year and his rivalry with James Hall is becoming legendary, with no quarter given by either, this time Max got the upper hand and in the process was pushed by James to beating Niall Gould's five year old record in a cracking race with two seconds being the difference. In third was U12 English and Yorkshire champion Seth Waterman, while in fifth was first U10 Josh Newbold, who also set a new record beating Phil Done's three year old record by 24 seconds. Harmonie Waterman finished seventh overall and first GU14 to add to Holmfirth's tally of wins, Ilkley Harriers added to their tally with Sarah Pickering winning the GU12, while Clayton Le Moors have uncovered a talent in Natalya Irvine in the GU10's. English Under 14 silver medallist, Annabel Mason, ran in the GU16's race and finished third overall finishing in 12-29, which smashed the six year old record of Scarborough AC superstar Alex Wheatman by 1 minute 6 seconds, winner here was Gorden Weight of Bingley. These races seem to be a great introduction to the sport and are very family orientated, with little Buckley's – Katie & Bethan, Taggart's – Aalish, Nicoll's – Ben & Max, Awan's – William & Maddie, Green's – Kieran & Ellora, Gabbitass' – Sam, Jessica & Emily plus many, many more. Remember, it's great to win, so the races are competitive, but for those of you who want more fun than you can shake a stick at, then this is your chance to participate and have a **scream!**
